PROJECT INFORMATION

Forum Palermo is a shopping centre with 135 shops and a total GLA of 49.400 sqm, anchored by a 6.813 sqm Decò hypermarket and it also boasts a Multiplex Cinema. Forum Palermo offers a real shopping experience, combining shops with leisure elements and a completed renovated Food Court opened in 2021 with 21 brands of bars & restaurants. The centre welcomes over 8 million visitors a year.

PROJECT LOCATION & CATCHMENT AREA

Palermo is located in the north-western part of Sicily, the largest of the Italian islands. Thanks to its cultural and landscape heritage, Palermo, together with its province, is one of the most popular Italian tourist destinations.

Located in the 'Brancaccio' district, Forum Palermo has given a boost to the area, revitalising the neighbourhood. Back in 2009, it was the first shopping centre to open in the region and has become one of the favourite retail destinations for both the inhabitants of Palermo and the citizens of the northern and eastern parts of Sicily. Forum Palermo is well established and has a solid track record: the shopping centre is dominant in its catchment area of some 900.000 inhabitants within a 30-minute drive.
