PROJECT INFORMATION

The Primavera shopping centre has two floors above ground and two basement levels. The centre consists of an urban retail gallery with 41 units (including four large units) with a total GLA of 9,500 sqm, is anchored by a 2,600 sqm Conad branded supermarket and has an attractive public garden on the rooftop. It welcomes 2.8 million visitors a year.

PROJECT LOCATION & CATCHMENT AREA

Rome, the regional capital of Lazio and Italy's capital, is the largest Italian city and the municipality of Rome accounts for some 2.8 million inhabitants.

The shopping centre is located in Municipio V, in the highly-populated district of Centocelle, some 7 km to the south-east of Rome city centre, with good accessibility thanks to the surrounding road network, in the proximity of Via Casilina. The area is also well-served by public transport. This neighbourhood scheme has an excellent catchment area: some 780,000 inhabitants within a 15-minute drive.
